

Are you the parent of a child in daycare and looking for a technical career that offers a living wage and benefits?

Join the

## Advanced Manufacturing for Preschool Parents Program

AMPP is a **Precision Machining Training** open to qualified individuals at **no cost**. AMPP trains for in demand career pathway jobs such as:

Job Title	Entry Level	Mid-Career	Experienced
Machine Tool Operator	\$32,919	\$43,942	\$52,446
Machinist	\$35,155	\$52,263	\$60,650
CNC Machine Programmer	\$40,340	\$54,724	\$63,269

**You must fulfill requirements to qualify!**

**You must be able to attend each day AND your goal must be full-time employment.**

Made possible by a MA Learn to Earn Initiative grant managed by CommCorp.

## AMPP training will:

- Start January 28th, 2019; Monday–Friday, evenings for 15 weeks
- Be at Greater Lawrence Technical School's Norman Martin Machine Tool Technology Shop.
- Offer each trainee a stipend up to \$100 a week!
